## Where Vibrant Community Meets Lifelong Learning

### OUR COMMUNITY

Dive into an enriching environment where meaningful connections and personal growth are at the heart of every experience.

Be part of our dynamic network and experience deep, interactive learning in our college-style seminars.

Where Athletes Sprint,  
Performers Shine,  
Entrepreneurs Innovate,  
and Adventurers Explore.

## OUR STUDENTS

We provide the stage for every passion. Whether you are striving to break athletic records, aiming for the limelight, innovating the next big thing, or embarking on daring adventures around the world.

We also encourage students to engage in meaningful community service and extracurricular activities.

## INTERNATIONAL STUDENTS

We're thrilled to welcome students from around the world into our online learning community. Here's some information to help international students understand what our school offers and how it might benefit them:

**Flexible Learning:** Our online format allows students to learn from anywhere in the world, at a pace that suits their lifestyle.

**Support for English Language Learners:** We offer English language support to help students succeed in their coursework and improve their language skills.

**Diverse Coursework:** Our curriculum includes a wide range of subjects, reflecting the global nature of our student body.

**Student Support Services:** We offer a range of support services for our students, including academic counseling, college application assistance, and career guidance.

**Scholarship Opportunities:** We offer a number of full scholarships each year through our **Sustainable Futures Ed program**.

These scholarships, sponsored by CUBICO Investments, allow students to participate in a program designed to nurture future leaders in the field of climate change and sustainability.

**Cultural Exchange:** We foster a sense of cultural exchange through various activities and events. These might include virtual international days, where students can share and learn about different cultures, traditions, and languages.

We believe that international students bring a wealth of knowledge, experiences, and perspectives that greatly enrich our community.

At Kinich High School, you'll have the opportunity to learn from the best professors globally, thanks to our **partnership with Coursera**, and participate in a unique learning journey that prepares you for success in an interconnected world.

OUR SCHOOL IS AN  
**INCLUSIVE** COMMUNITY  
WHERE **DIVERSITY** IS  
EMBRACED, **EQUITY** IS  
SOUGHT, AND **INCLUSION**  
IS A GIVEN.

Diversity, Equity, and Inclusion (DEI) is a continuous, intentional, and evolving effort. We have established systems and tools to track and measure our DEI efforts, ensuring that our commitments are not just theoretical but practically implemented. We also engage experts who are renowned for their work in multicultural and inclusive education. Our commitment to DEI, ensures that each student can freely express their individuality while learning to respect and appreciate the individuality of others.

WE ENCOURAGE **INITIATIVE  
AND CREATIVITY** AMONG  
OUR TEAM MEMBERS.

WE BELIEVE THAT OUR  
TEAM'S **CREATIVITY AND  
ENTHUSIASM** ARE KEY TO  
**PROVIDING OUR STUDENTS  
WITH THE BEST POSSIBLE  
LEARNING EXPERIENCES.**

# ACADEMIC COACHES

## OUR ACADEMIC COACHES

Our Academic Coaches are a community of dedicated educators who believe in the transformative power of education, they will:

- Operate on core **values of respect, integrity, and excellence**, creating an environment where every individual is valued and where we, as a team, **foster creativity, innovation, and critical thinking.**
- Provide equal opportunities for all students and staff, regardless of their background, beliefs, or identity.** We believe diversity is our strength, and we see it as a resource for learning and growth.
- Be trained in various subject matters, pedagogy, human development, and learning opportunities **to ensure to stay on top of the latest educational trends and methodologies.**

# PARENTS

We recognize that parents play an essential role in their child's education, even in an online setting. Our commitment is to partner with parents to provide the support needed for their child's academic success. Here's what parents can expect when enrolling their child in our school:

**Collaborative Partnership:** We view education as a collaborative effort between the school, students, and parents. We will regularly communicate with you about your child's progress and any school updates.

**Online Learning Management System:** We use a secure, easy-to-navigate online learning management system where parents can access their child's grades, attendance records, and assignment feedback.

**Parent Support and Resources:** We provide resources and training for parents to help them understand our learning management system, our approach to online learning, and how best to support their child's educational journey. We also have a dedicated team of advisors available to answer any questions you may have.

**Community Engagement:** We encourage parents to participate in virtual meetings, webinars, and school events. This is a great opportunity to connect with other parents, teachers, and the broader Kinich High School community.

**Supporting Autonomy and Independence:** Online learning helps students develop important skills like time management, organization, and self-motivation. As a parent, you can encourage these skills, but also allow your child the independence to manage their own learning.

**College and Career Readiness:** We offer support in planning for the future. From exploring potential career paths to navigating the college application process.

At Kinich High School, parents are an integral part of our learning community. We are committed to maintaining an open line of communication and partnership with you throughout your child's educational journey with us.

KINICH HIGH SCHOOL'S  
ACCREDITATION **IS MORE THAN**  
**JUST A SEAL OF APPROVAL;**  
IT IS A **COMMITMENT TO**  
**UPHOLD THE HIGHEST**  
**STANDARDS** OF EDUCATIONAL  
EXCELLENCE AND CONTINUOUS  
IMPROVEMENT, ENSURING THE  
**SUCCESS OF EVERY STUDENT**  
**IN OUR CARE.**

# GLOBALLY RECOGNIZED ACCREDITATION

We are proudly accredited by **COGNIA** and the **Texas Private School Accreditation Commission (TEPSAC)**.

COGNIA is an esteemed non-profit organization that offers accreditation to institutions meeting their rigorous standards based on data collected from schools in the United States and 85 other countries. TEPSAC is a respected body ensuring Texas private schools meet or exceed state accreditation standards.

## THE IMPORTANCE OF ACCREDITATION:

1. Assured Quality Education
2. Recognition by Top Colleges and Universities
3. Instilling Confidence and Trust

# TECHNOLOGY REQUIREMENTS

At Kinich High School, technology is integral to our teaching and learning environment. Our innovative approach to education requires students to have access to certain technological resources like:

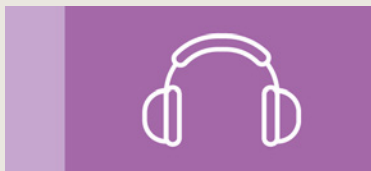

**1. Computer:** An updated PC or Apple computer (desktop or laptop) is necessary. Please note that Chromebooks may not support some of the software required for our courses.

**2. Microphone:** This will allow you to actively participate in class discussions, collaborative projects, and interactive learning experiences.

**3. Webcam:** Our online learning environment often incorporates live classes and group work. We recommend obtaining an external webcam if your device does not have one.

**4. Headphones:** We highly recommend using headphones, especially during live online classes. They help minimize audio distractions and can enhance the clarity of audio content.

**5. Internet Access:** Consistent access to a reliable internet connection is essential. This is because most of our course materials, assignments, and assessments are accessed and submitted online.

**6. Google Chrome:** Please download and install the Google Chrome web browser if you don't already have it. Our learning management system, Knotation, integrates best with this browser.

**7. Microsoft Teams:** Ensure you have an updated installation of the Microsoft Teams desktop application. Many of our live classes and virtual meetings are conducted via Teams.

Please ensure your technology meets these requirements before the course begins. This will help you to have a smooth, uninterrupted learning experience at Kinich High School.

# TEAM LEADERSHIP

**ERIK RAMÍREZ** is the founder of Kinich High School, a transformative and influential leader in the field of education technology and social impact. With an extensive background in building global teams, forming multinational partnerships, and driving a variety of EdTech companies, he brings an unmatched level of experience and understanding to a new education model.

He is Harvard Graduate of the School of Education, and an MBA graduate from NYU, Stern Business School, London School of Economics, HEC form Paris. He is a fellow of the Academic for Systemic Change and an ambassador of Learning Through Play for the LEGO Foundation.

The founder is driven by a vision to disrupt the traditional education system by integrating cutting-edge technology and innovative learning methodologies. He has transformed global teacher and professional training by introducing novel learning management systems into schools, corporations, and government bodies.

Kinich High School is their latest endeavor, which builds on their previous successes and extends their visionary ideas. Erik Ramírez believes in the power of education to transform lives and societies. He aims to provide a holistic and accessible education to students around the globe, regardless of their location or socioeconomic status.

The founder's leadership style is grounded in fostering collaborative relationships, building consensus among diverse stakeholders, and utilizing data to drive decision-making. He understands that effective education requires a combination of strong pedagogy, innovative technology, and a deep understanding of the students' needs.

His goal is to offer students a robust, flexible, and engaging learning experience that empowers them to be creators, innovators, and leaders of the future. Through Kinich High School, he is setting a new standard for online learning, proving that high-quality education can be both accessible and transformative.
